### Boots, Wellies, Footwear!!!

As the weather is now deteriorating fast it would be very helpful if the pupils have a change of footwear so that when the field is muddy they can still go out on the field and play at lunchtimes. We really do not want the whole school caked in mud when we have spent so long making it cleaner. If pupils do not have a pair of boots or a complete change of shoes we will have to keep them on the patio area or confined to the back playground; which is much more cramped.

Please try to help us by ensuring that your child has a change of shoes or a pair of wellington boots **which are clearly named and placed in a substantial named carrier bag on their peg** if they would like to be able to go out onto the field at lunch play. Otherwise we will have to restrict them to the patio area only, which would be a shame as they should be able to run around and have fun on the grass if at all possible.
