BOOKFAIR!

Thank you to everybody who supported the book-fair, we're hoping we've raised enough money to

entitle us to some free books for school.

WALK TO SCHOOL WEEK—Many children have enjoyed walking to school this week. The children who normally arrive by bus were also able to join in which was great.

Home school agreements and data collection sheets.

We still have one or two families who have not returned their data sheets or home school agreements. Please can we have these back as soon as possible. It is important that we have up to date contact details and up to date medical conditions.

As you all know Rev. Neil Brice is moving on to pastures new. He has supported the school for many years as a parent, governor and vicar. We would like to show our appreciation with a small gift, if you would like to contribute, please send your donation to the school office before Friday 16th October.

DINNER MONEY.

We still have some outstanding dinner monies to be paid. Please can you check that there is no dinner money owing for your child. Thank you.

FINANCE

Please could we ask parents to be careful when sending cash into school. We receive many envelopes with money missing because it's fallen out en route to the school office. Please seal envelopes securely, thank you.

Philosophical Ideas for Children
designed to be discussed with young
people....***

- *Are we more alive than a tree?*
- *Do crows know they all look the same?*

Many thanks to Paul Barraclough for sharing some inspirational ideas by Ian Gilbert.

School Uniform—2nd hand. Small donations appreciated, please ask in the school office.

We have found new homes for lots of our 2nd-hand uniform, but we still have quite a few bits left.

We could have re-homed the reversible jackets many times over!

Thursday 22nd October FILM CLUB

LIFE EDUCATION BUS VISIT

The children have enjoyed visiting the bus this week.
Thank you to all the parents who came along to hear about what the children were learning.

NON SCHOOL SPORTS CLUBS

We would like to collect information on different sports clubs that pupils attend, those which are not connected with school and not taking place on our school premises, and that can be recommended to other families.

We have collected the name of only one club so far, so please have a think and tell us about any more you may know about.

PARKING

Once again can we remind people to park carefully outside the school.
Please do not park on, or near the zig-zag lines at the entrance to school.
Coaches are finding it increasingly difficult to reverse into the car park because of inconsiderate parking. We ask parents/carers NOT to walk through the school car park. Please do use the foot-path into school.

Thank you

Walnuts

We have a walnut tree near the head's office which was planted when the school was first opened. It is now producing lovely nuts for our delight.

HOWEVER we are aware that some pupils have nut allergies so please be aware of this if your children are collecting them. Also please don't put nuts into any cakes for Friday Cake sales for the same reason.

YARD SALE at 32 Town Green Road.
