We are proud to help celebrate the Diocese of Ely's 900th anniversary this year.

Snow!

Like the Windmill Theatre, we never closed! Strange as it seems, this was unusual in the locality, but we think it was the right decision.

Those parents who judged it safe to travel did so, and the bus drivers took the decision about whether they thought it was safe for them on the untreated side roads.

The 60 pupils here had fun at school in the snow. An enjoyable day was had by all.

POSH holiday play scheme will be running on Wednesday 18th and Thursday 19th February for half term week.

If anyone finds that they now need childcare for these two days please contact POSH or Brenda on 01223 207270 or 07763 210769. Booking forms from the office too.

Property Matters— Progress report.

The work on guttering replacement has almost finished and we have asked the firm to put water butts in place around the school to help watering of plants in tubs. We are waiting for a new pump for the boiler to ensure **all** school is warm, and the fencing is gradually being replaced .

Mrs Penrose's baby girl, Elizabeth, has made good progress so far following the operation last Thursday. She has a sore head, but is doing well.

We have sent flowers with lots of messages and good wishes from all our school family. Laura and Andy are very pleased and would like to thank us all for our support at this difficult time.

Back by popular demand!

Quiz night hosted by 'Vince' a man of many guises.

Friday 6th March 7.00 for a 7.30 start. A night full of fun, for those who haven't been you won't want to miss it.

Tickets will soon be on sale through the school office and the local shop. Max. teams of 8. Buy soon to avoid missing out on this fun evening.

WORDLES

EKORTS

Last answer—twist of fate

We are proud to have been asked to work with our local community police officers on a ground breaking initiative to cut speeding in our rural villages. On Tuesday 24th February we will be asking some of the Eco-Buddies to help design posters to help stop speeding. These will be reproduced by Cambridge-shire Constabulary. They will then be affixed to household bins on busy roads. This is an environmental project, designed to make a real difference to our children's safety.

SCHOOL MEAL SPECIALS.
